COMMENTS:

This bill would require all state agencies, departments, offices, boards, and commissions to submit a report to the Legislature by January 1, 2004 that includes:

- a listing of all federal funds that are available to the agency,
- whether the agency programs qualify for the federal funds,
- whether the agency has applied for and is receiving all the federal funds it is eligible to receive,
- whether the agency programs maximize the use of federal funds, and
- how the programs may be modified to either access or maximize the use of federal funds.

Although the Franchise Tax Board does not receive any federal funding to support the programs it administers, the department would still prepare and submit the report required in this bill. This bill does not impact the department's programs and operations or state income tax revenue.
